2009 Technology Luncheon and Presentation

Topic:	Alternative Fuel Vehicles
Date:	March 25, 2009
Time:	11:30 am - 2:00 pm
	Registration opens at 11:00 am
Location:	George Washington University, Marvin Center
Featured Speaker:	Rick Sanford, Werres Corporation

Rick will cover the following topics:

- Compare and discuss the use of regular gas powered vehicles vs. battery-powered vehicles.
- Purpose built parking enforcement vehicles and how those vehicles can increase parking income, save fuel and general operating cost.
- Neighborhood Electric Vehicles - These vehicles can be tagged for the street and can operate on roads with a posted speed limit of 35MPH and lower.
- Specialized vehicles for the parking industry.

Tour: The George Washington University Parking Operations

Immediately following the Werres presentation, the parking services department of GW University will conduct a tour of their parking facility. The tour will include their use of daily debit, car wash on campus, and their enforcement operations. Not to be missed!

MAPA Members \$30 per person
Bring a 3rd person and they attend for just \$25

Werres will have a vehicle on display to be viewed after the luncheon.

Reserve your seat today or contact Dawn Newman, 410-964-5724, for further details.
